BENEFITS OF MEMBERSHIP

Membership in the Capital City Amateur Radio Club has many benefits. Some of them include:

- 1. Repeater Access.** The Capital City Amateur Radio Club repeater has always been an open repeater. Your membership supports the maintenance of the repeater.
- 2. Monthly Newsletter.** The W7TCK News, our monthly newsletter, will help keep you informed of the latest club and amateur radio related news.
- 3. Activities.** Nearly each month, we have a special guest or demonstration. These give members first hand access to some of the newest and most exciting facets of amateur radio. Additionally, our special events give you the perfect chance to get out and enjoy the hobby with other operators, and help the public at the same time!
- 4. Help and Support.** The Capital City Amateur Radio Club's members are very diverse, and bring a vast amount of knowledge with them to every meeting. Whether fixing an antenna or considering a new rig, you will find the experience of our group an invaluable asset.

What is the
**CAPITAL CITY AMATEUR
RADIO CLUB?**

The Capital City Amateur Radio Club is one of the largest and most active amateur radio groups in the state of Montana. We exist to promote the hobby of amateur radio, and provide a resource for new and existing hams to share their hobby with others.

WHAT THE CAPITAL CITY AMATEUR RADIO CLUB HAS TO OFFER.

HOW IT ALL BEGAN.

The Capital City Amateur Radio Club was founded many years ago, in order to promote amateur radio, and provide resources for new and experienced hams alike. Over the past years, we have remained one of the largest and most active amateur radio organizations in this part of the state. Our club is changing constantly, and we expect to maintain our status of leadership well into the future. The club provides many benefits and resources to area amateurs.

1. The club maintains a 2-meter repeater near Helena, MT. This repeater is open to all licensed radio amateurs, club membership supports it.

WA9MRI Repeater
147.820/147.220 MHz

2. The club provides an environment where hams can rub shoulders with other hams. We grow, get stretched, and learn new things.

3. The club provides annual amateur radio classes, to encourage new growth and participation in our hobby

4. The club sponsors a weekly ARES and social net on our repeater. The net begins at 7:30 PM local time each Tuesday evening, and features local news, and announcements.

5. The club provides a chance to get involved in Ham and community activities like Emergency Communications, New Modes of Communication, Governors' Cup, Field Day, and Hamfests.

6. The club gives you an opportunity to share your experience and knowledge, to teach, and Elmer others that are not as proficient in an interested area of the hobby.

AMATEUR RADIO TESTING

Interested in getting your amateur radio license? The Capital City Amateur Radio Club sponsors test sessions before each meeting and special occasions both with prior notice.

This is the perfect opportunity for you or someone you know to get that amateur license, or upgrade to a higher-class license.

Our Volunteer Examiner team is accredited, and capable of administering any test necessary. Study hard, and then come to the meeting. Our VE Team is eager to serve.

So what are you waiting for? The Capital City Amateur Radio Club meets at 7:00 pm on the FIRST non-holiday Monday of each month at the Salvation Army Church, 1112 Henderson, Helena, Montana 59624
